## 2016-2017 CHF/Alyeska Match Scholarship

### F. Scholarship Information

**Use of Funds.** I understand that the proceeds of the scholarship, if approved, will be used to further my education in the degree program where I am enrolled and for the period of time indicated in the guidelines as approved by the Foundation. You will be funded up to full-time status determined by the registration form you provide.

#### Check Disbursement

- Scholarship checks are issued to the school on behalf of the student.
- Any scholarship funds remaining after tuition, books, and fees have been paid will be issued to the student from the school for associated living and educational costs while attending school.
- Funding for subsequent terms will not be issued until student submits an unofficial transcript showing successful completion of previous term's course work, and a class schedule (to include credit hours **and be signed by your academic advisor**) for the following term.
- Upon receipt of completed application packet a check will be issued to the school. Please allow two to three weeks for your scholarship award to be processed once **ALL** required documentation has been received.

**Grade Transcripts.** I understand that immediately upon completion of the semester or term, I shall submit an unofficial copy of my transcript, to the Chugach Heritage Foundation to verify completion of the courses of study for which the award was made. Funding for any subsequent term will be forfeited if the class schedule and transcripts are not received within **4 weeks** after the term begins.

#### Successful Completion of CHF Funded Course Work:

By accepting scholarship funding the student agrees to successfully complete all courses for which funding is provided. Successful completion is defined by earning a minimum "C" grade for each course funded by CHF. Failure to meet this obligation will place the student's scholarship for the following term on hold, and funding for the next term may be forfeited.

**It is up the student to promptly notify the CHF office should the above completion requirements not be met. Failure to do so could lead to severe delays in the student's scholarship award process, and/or their award may be forfeited for the term.**
