E. Scholarship Information

Use of Funds. I understand that the proceeds of the scholarship, if approved, will be used to complete the program for which I am registered.

Check Disbursement

- Scholarship checks are issued to the school on behalf of the student.
- Upon receipt of completed application packet a check will be issued the school.
- Please allow two to three weeks for your scholarship award to be processed once **ALL** required documentation has been received.

Successful Completion of CHF Funded Vocational Program:

By accepting scholarship funding, the student agrees to successfully complete the vocational/certificate program requirements for which funding is provided. Failure to meet this obligation will place the recipient's scholarship on hold.

Holds may be released by one of the following options –

- 1) Contact the Scholarship Manager to request placement on probationary status during which CHF funding will continue. Student must submit in writing (email or hard copy) a minimum 1 page explanation of the circumstance(s) which resulted in failure to meet obligations. The Scholarship Manager will then make a decision regarding award of probationary status.
- 2) Repayment to CHF the portion of funding associated with any unsuccessfully completed course work.
- 3) Use student's own funding to successfully complete the CHF funded course deficiency.

It is up to the student to promptly notify the CHF office should the above completion requirements not be met. Failure to do so could lead to severe delays in the student's scholarship award process, and/or their award may be forfeited.
